Three Spiritual Gifts On Five Pathways

CAUTION: THIS COULD BE HAZARDOUS TO YOUR OLD WAY OF LIFE.
USE THIS WORKBOOK, OR ANY OF ITS CONTENTS, AT YOUR OWN RISK.

Doing what's suggested in this workshop may cause you to let go of some parts of your personal "reality." It could cause you to be less limited. You may stop blaming other people, places, and things. You may stop being a user and become an owner of your own stuff. You may find yourself giving up some of your old

resentments, pains and fears. You could even find yourself with a new understanding and/or awakening. Maybe you will find your Self. Neither this workshop nor any of its contents are for sale. They are for sharing. Pass it on freely to those you love and those you don't.

WORKSHOP'S MISSION

Our primary purpose in this workshop is to offer additional tools, which could enable you to be more and more conscious of three great Spiritual Gifts and ways to apply these in our every day life. We will introduce you to this set of useful tools; however, tools are worthless unless we learn how to use them and then use them. Well that's what this little workshop is about. Our main focus will be learning new ways to expand our application of the program of Alcoholics Anonymous. To help you awaken to the powerful spiritual principles embodied in the Twelve Steps (Recovery), Twelve Traditions (Unity) and Twelve Concepts for World Service (Service). The main focus of this little workshop will be on the three Spiritual Gift embedded in the Twelfth Step. *Awakening* (Gift One) we believe is the correct word because it does happen as the result of applying the spiritual principles, which open us up to our Higher Power's grace. We want to dispel the illusion that we are to impose an understanding by applying the principles found in our program. When in fact we use information and understanding to help chip away all that is not the Love we are (Gift Two) and our God-created self with purpose and meaning, our true mission (Gift Three) helping us open up and realize our Spiritual Gifts, which is our true nature. That we are more likely to be open to our Higher Power's loving grace, miracles and the promises.

Our 1st Spiritual Gift Awakening

"Lack of power, that was our dilemma. We had to find a Power by which we could live, and it had to be a *Power greater than ourselves*. Obviously. But where and how were we to find this Power? Well, that's exactly what this book is about. Its main object is to enable you to find a Power greater than yourself which will solve your problem." (Alcoholics Anonymous page 45 reprinted with permission) The main object of this workshop is to be in concert with that. Working the first eleven Steps will assure us of having a personality change, a shift in our perception sufficient to cause a spiritual awakening. Step Twelve opens with: "***Having had a spiritual awakening as the result of these steps...***" This spiritual awakening, this Gift, is the first of our three primary goals of this workshop.

Our 2nd Spiritual Gift Our Love

One of the most common human needs is love. The second part of Step Twelve is; "***...we tried to carry this message.***" This is sharing; this is Love. We give but little when we give of our possessions, it is when we give of ourselves that we truly give. In the act of giving, "passing it on", what we have received, we realize that giving and receiving are the same? In fact, the only way we can become a Master Receiver is to share with others everything we want for ourselves. We can love because our deepest nature is love. The messenger is the message.

Our 3rd Spiritual Gift Our Mission

Awakening to the individual self we were created to be with purpose and meaning, in other words, to consciously live our mission, our Heart's Desire, God's Will for each individual. The third part of Step Twelve is: "***...and to practice these principles in all our affairs.***" The only way we can fully realize who we are is to share what we currently are as the result of this process. When we are God-centered even for a moment we will have all the power and wisdom we need. In that moment we will be told, shown what to do, say, think and feel in a way we can currently hear, understand and follow.

RE-AWAKENING

Our personal experience of life may or may not be based in Reality, but for sure our spiritual, mental, physical, emotional, and social experiences are shaped, filtered and formed by our personal “reality”. This personal “reality” is made up of everything we have experienced from the time we come into this world. Everything we have ever done, felt, thought, seen, heard or thought we did or did not, who we did or did not do it with, how we did or did not do it, wherever we thought we were or not, Real or illusion, makes up our filter system. We mostly react as though the experience is Real. We may even draw other beings or facts into our conscious experience, but that alone does not make it Real. We believe that each individual creation starts off with a pure Divine Design to be expressed. As that pure Design passes through our personal “reality” filter system we may distort it so badly that it does not look anything like our Father’s original pure Divine Design. The following is one way nature may shape a tree that would be contrary to its pure Divine Design within the seed. For example a tree along the coastline is subject to a prevailing wind, the tree

will bend and be shaped to reflect the winds influence. Our habits of thoughts and feelings are much like the prevailing wind’s effect on our Father’s original pure individual Divine Design. Our workshop goal is to own a little more of our personal “reality” and be willing and able to change that made up “reality” back into thoughts and feelings, surrender it to our Higher Power that it can be changed into thoughts and feelings more in the image and likeness of His Will. For example letting go of the “reality” that sobriety is no more than just not drinking and/or not being locked up. In the Omni-Spiritual Flow we are able to accept a new level of “reality” by the grace of our Higher Power we may experience a deeper and deeper spiritual, mental, physical, emotional and social sobriety. Including being happy, joyous and free, with a whole new meaning of abundance. Bill Wilson, our co-founder had stated that the next frontier to address would be emotional sobriety. Today we are realizing that the next frontier in practicing these principles in all our affairs will include fulfillment at every level; spiritual, mental, physical, emotional and social.

A Few Thoughts

1. We believe that this workshop could be useful for most of our human conditions.
2. Any of our addictions at any level limits our receiving and giving our Spiritual Gifts.
3. If you have not completed the first nine Steps for your primary addiction this workshop may not be useful. This workshop will focus on Steps 10 – 11 – 12.
4. A principle is always the same, like it or not we are stuck with it. If there is only one exception that means it is not a principle, it is a belief, which means it can be changed like most habits can. Any time we use a global statement such as; I always, I never, we send our subjective mind a message that we are dealing with a principle instead of a belief. Change will be hard to come by.
5. Reviewing the workshops you have worked on could help you with this one. For example any 10th – 11th – and 12th Step Work will help you with Gift One, Awakening. The Six Loves Workshop will be useful for Gift Two, Love. Finding, Claiming and Living Your Mission in Book Two could help you with Gift Three, your Mission.

A Group Project

Of course this workshop may be used by ones self, however there are a great many benefits sharing with another person or a group. Some of these are:

1. We get the benefit of others experience, strength and hope.
2. We begin to build a group consciousness each time we meet.
3. With each question our understanding, awakening, love and ability to share will increase.
4. As we awaken and grow our responses become more useful, wise, enriching, fulfilling.
5. Of course most often our illusions shared openly with others take on a different mean.

Workshop Agenda

The workshop agenda will be set up as follows: we will have six daily questions each week, two sets of the Three Spiritual Gift - no question for the day of the workshop.

- Week One - Day 1 - the Introduction
- Week 1 – Day 1 Introduction – homework Days 2 – 7 questions response
